A Message From Our President

Wonderful News! Marcus Aurelius launches with a BANG! What a great accomplishment from the Rotary Club of Marcus Aurelius! Congratulations to all of the charter members and especially to the district team. Thanks to all the Rotarians who brought food to food the [illegible]

As we gear up for our District Governor's visit this week, I'm reminded how fortunate we are to live in the beautiful city of Indianapolis. And how very fortunate we are to have the Rotary Club of Indianapolis calling Rotary our home. Recently, District Governor Jane and her husband Jeff were in town for a couple of days and I had the pleasure of hosting them for lunch at the Rotary Club of Indianapolis. We had a delicious lunch and a wonderful meeting. Many Rotarians stop by to greet Jane and Jeff and have a chance to visit with them. Recently, District Governor Jane and her husband Jeff were in town. Jane hosted a District Governor's Luncheon. I'm sure they will remember it as one of the most awe-inspiring gatherings together we've ever had the honor to host in town! Not many could have been more pleased and proud than I was to be a member of the Rotary Club of Indianapolis that night. It was a fantastic evening and I'm very proud to be a member of the Rotary Club of Indianapolis. Many thanks to all of those who helped make it happen! Thank you all! Anyway, I'm sure you remember the evening very well, so I'll move on. It's hard to believe that we're already in November. It's hard to believe that we're already in November. It's hard to believe that we're already in November

A Message From Our President

Wow Rotarians! We've started November with a BANG! What a great presentation from the Secretary of State, Brad Raffensperger last week! Great updates on the goings on around the State and we had a packed house! Thanks to all the Rotarians who brought guests to hear this great speaker.

As we gear up for our District Governor's visit this week, I'm reminded how fortunate we are to live in the beautiful City of Thomasville. To honor our local heroes who strive daily to keeps the citizens of this city/county safe is always one of my favorite events. And, to have our own Andre' Marria, District Governor, join us for this makes it even special. I'm sure she will remind you all of the time we were putting hamburgers together and I told her she had no future in fast food! She loves to tell that story and usually does while we're working!

November market will occur the weekend before Thanksgiving. What better way to give thanks than to provide food to those who so desperately need it in our community so they too can have a very Happy Thanksgiving. It warms my heart each time we have our market to pull onto Felix Street where cars line the side of the street, waiting for this important event. Last month, Angela asked one participant what time he got there. His response was 5:00! Our community waits for this every month and we are so fortunate to be able to give back in this manner.

Thank you all, Rotarians, for your continued support as we gear up for what will definitely be a November to be thankful for.

DISTRICT GOVERNOR'S OFFICIAL VISIT 11/9

We are looking forward to our District Governor's official visit this Thursday! We have a full day planned with Andre' starting with our monthly Rotary Board meeting, followed by our Honoring Local Heroes cookout, and ending the day with a special DG reception! All Thomasville Rotarians are encouraged to participate in the happenings going on this day. For more details, check out our website's calendar of events by clicking **HERE.**

DO YOU REALLY KNOW ANDRE'?!

You may think you know our District Governor and fellow member Andre' Marria, BUT here are some fun facts about her that may make for a great conversation starter when you see her this Thursday! To read her professional bio on District 6900's site, click **HERE.**

CHARISMATIC + UNIQUE

Andre' broke into the counselor's office in high school to get her transcript to apply for college and got caught! She is a jokester, has a heart of gold, loves sunsets and sunrises, and believes we are made stronger in the broken places.

TALENTED + DRIVEN

Andre' has a love and talent for singing, has written songs and poems, and is a "Lady With A Song." She has even written and published a book and is working on her second.

DEDICATED PROFESSIONAL

Voted unlikely to succeed, Andre' graduated from Douglas High School + Fort Valley State, has more initials behind her name than most people, and has been in the Mental Health Industry for 45+ years.

She also serves as an Executive Board Member of the Marguerite Neel Williams Boys + Girls Club.

FAMILY + FRIENDS

Andre' and Walter have 2 children by birth, a son and daughter + 2 daughters her sister sold to her for drug money.

Her two best friends since elementary are also members of her home Rotary club: Carlton Bryant and Nathaniel Abrams.

CHRISTIAN + WIFE

Andre' believes in putting God above all things, her husband Walter second to her faith, followed by family + friends.

Once our room blocks are sold there is no guarantee that additional room nights will be added. For more information on registration, room blocks, and the conference in general, click **HERE.**

Foundation

The Rotary Foundation

NOVEMBER IS rotary FOUNDATION MONTH

Our Foundation chairs work tirelessly with club members to promote annual giving to the RI Foundation's various programs and to the Georgia Rotary Student Program Foundation. Half of all funds raised by the club for the TRF return to the club three years later to be used to fund projects within our community. The remaining dollars are used by the RI foundation to support its many mission in the pursuit of peace, world understand and improvement in the quality of lives around the globe.

Rotary Club of Thomasville partners with Rotary Clubs across the globe to fund international projects through Global Grants which improve the lives of people whom we have never met who find themselves far less fortunate than we are. Most recently our projects have impacted the elderly in India and orphans in Serbia.

Each year Rotary Club of Thomasville requests funds through the District Grant process to fund local projects which primarily focus on the education of young children in Thomasville with the ultimate goal of improving the local high school graduation rate. The club also supports literacy in Thomasville through the Southwest Georgia Literacy Grant when available.

Personalized Foundation reports for each member showing their total giving to date will be distributed during November. For questions, please contact Rotarian Julie Carter.

Membership Updates

WINE OR WHINE

In an effort to grow our membership, every 1st Tuesday of the month we host a social called "Wine or Whine." Wine or Whine is an opportunity for potential members to come and get to know Rotarians and what Rotary does not only in our community but internationally, as well. If you know of any prospective members, Wine or Whine is a great way to introduce them to Rotary while socializing in a casual setting among new and old members. If you have any questions about membership and/or this social, please reach out to Rotarian Angela Williamson.

SAVE THE DATE - WINE OR WHINE 12/5

Our next Wine or Whine social will be "ugly holiday attire" themed and held at The Business Exchange in downtown Thomasville, December 5th, 5:30PM-7PM. We encourage you to come dressed in your team colors! To add the event to your calendar, click **HERE.**

in case you missed OUT ON ALL THE FUN:

If you missed October's Wine or Whine social, "orange" you disappointed? The theme last month was "Orange you glad you joined Rotary" and was an orange colored success! To check out the full post and fun photos, click **HERE.**

November's Wine or Whine social date was moved to Thomas University's Homecoming weekend. With so many TU alumni in our club, participating in Thomas University's Alumni Association's Homecoming Tailgate party did not disappoint and was a great way

to show our community what we are about!To check out the full post and fun photos, click **HERE.**

GA SECRETARY OF STATE VISIT

Last week, our club had the distinct honor of welcoming GA Secretary of State Brad Raffensperger as our esteemed guest speaker. A remarkable journey from founding a successful business to becoming Georgia's 29th Secretary of State, Mr. Raffensperger's dedication to secure and accessible elections was palpable in his address.

An advocate for integrity and innovation in the voting process, Secretary Raffensperger shared his achievements in modernizing Georgia's election system and emphasized the importance of accountability and voter empowerment.

For those who missed it, Thomasville Times-Enterprise featured the story this past weekend on the front page of the paper! To view and read the full article from the Thomasville Times Enterprise's story click **HERE.** To view the Facebook post and see more photos, please click **HERE.**
